

FORTNITE®

A vibrant promotional image for the Fortnite Spider-Man crossover. Spider-Man is the central figure, floating in a dynamic pose. To his left, Iron Man is in flight, and below him, Iron Man's armor is shown in a disassembled state. To the right, Iron Man is again shown in flight, firing red energy blasts. In the bottom right, a pink, blob-like character with a surprised expression is visible. The background features a stylized Fortnite landscape with a desert, a city, and a beach. A large, colorful hot air balloon is in the upper right, and a small, colorful airplane is in the lower left. The overall scene is set against a bright blue sky with white clouds.
